## Virtual Graduation Stage Photographs

Email your head & shoulders photo to **orders@ghphoto.co.za**  
we will generate your graduation photo.

**Photo Tips:**

1. Ask a friend to take a photo of you. Don't take a "selfie", the camera on the back produces a much better quality picture.
2. Make sure the lens is clean (no fingerprints etc.)
3. Use a "one colour background avoid gardens or flowers.
4. Stand at least 2 meters away from the lens, so that the photo is of your waist up.
5. Hold the camera chest height.
6. Use a well lit area, but no direct sunlight or highlight from one side.
7. Look straight at the lens.  
(we need to see both your ears)

Your memorabilia photo will only be generated after your degree is authenticated by the institution
